Richard Jones Architecture Chosen to Design Seagate Yacht Club

Modern Luxury Townhomes and Dockmaster Building

January 28th, 2014. For Immediate Release.

HHC Florida and Seaside Builders have selected Richard Jones Architecture to design the new Seagate Yacht Club. The project will consist of 10 luxury townhomes and a dockmaster facility on the site of the old Delray Beach Yacht Club. The architecture will be refreshingly modern for Delray Beach with rooftop private terraces, ground level courtyards, and over 4,000 sq. ft. of living space per unit. The dockmasters building will be designed in a nautical modern style with facilities for the members of the 44-slip marina. The project will seek LEED Certification for Green Design.

Richard Jones Architecture is an award winning Architectural firm based in Delray Beach, Florida. The firm is focused on Residential and Commercial projects with an emphasis on Green Design. The firm holds licenses in six southern states and it's portfolio includes Land Planning, Single Family, Multi Family, Condo, Rental, Townhomes, Offices, Retail, Restaurant, and Interior Design projects.
